RE: PSCW Docket 137-CE-139: ATC's North Madison to Huiskamp Transmission Project

Judge Marion:

I am filing as a concerned citizen and request full party status in the above referenced matter. As a ratepayer, I question the effectiveness of the American Transmission Company's proposed transmission projects in Dane County.

I am requesting fully party status in the aforementioned matter so as to assert my interest in the issues of the case. I strongly believe that the PSCW should deem this application incomplete due to the fact that ATC has failed to respond to all of the PSCW information requests, including information on the effects of conservation and renewables in addition to ATC failing to provide credible justification of need, among other items.

All ratepayers will be affected by the PSCW decision regarding ATC's North Madison to Huiskamp Transmission Project. My interests will not be adequately represented by other parties. Please direct all correspondence on this matter to:

Thank you for your attention to this request.

Sincerely,

Michael J. Lee
